Craft Cocktails & Mocktails

from Garden to Glass

Join Ellen Zachos, The Backyard Forager, and learn how to create tasty beverages from wild and cultivated ingredients.

We'll taste and talk about some familiar garden friends, then dabble in a few wildcrafted flavors. And while this event is alcohol-free, you'll take home the info you need to turn these kid friendly drinks into adult beverages.

Ellen Zachos **ez@backyardforager.com**

Brought to you courtesy of the Rio Arriba Extension Club
