HOW TO MAKE A MOTION

Let the President know you would like to make a Motion. Wait until the President calls on you and then begin by stating...**"I move..."** After the main Motion is made, it must receive a second, to support the action. This is done by having a member stand and state...**"I second the motion."** President: **"It has been properly moved and seconded that we... Is there any discussion?"** Discussion allows for reasons for supporting or opposing the motion to the group. When discussion ends, the President calls for a vote of the members at the meeting. President: **"We will now proceed to vote. All those in favor of the main motion, signify by saying "Aye." All those opposed say, "Nay."** If a majority of the members support the motion...President: **"Motion passes."** If the majority are opposed...President **"Motion fails."** President taps the gavel.

Jose Luis Archuleta
9/22/1997-1/17/2022

We are very sad to hear about the passing of Jose Archuleta. Jose was one of our first Young Guns 4-H members. Jose was a very active 4-H member. Jose held several club positions such as treasurer, vice president and president. Jose's club projects included raising steers, heifers, hogs, goats and welding. Jose bred and raised his own boer show goats. He participated in various community service projects as well as group club projects. Fundraising for our club was one of his favorites. One I recall, sitting outside of Bodes on a cold morning drinking hot chocolate waiting for tourists and locals to drop by, and buy some baked goods. He was determined to see our club in good financial status. Looking over the younger members was also his priority. He never excluded anyone from participating in club activities. We went camping to Hopewell as a club and participated in an archery competition at Heron Lake where he taught the younger 4-H kids how to hold and shoot a bow. Jose won several grand championships with all the animal species he showed at the Rio Arriba County Fair. His countless ribbons are proof that he always competed in at least several classes every year at the fair. Jose proudly wore his buckles to show his great accomplishments. From a young age Jose was very caring, friendly and respectful to everyone he met. Jose will always be remembered for being a 4-her inside and out. May his sweet soul rest in peace, he will always be remembered and missed.

Aileen Martinez, Young Guns 4-H leader
